Extension of candidate list (REACH)

Dear Sir or Madam,

DOMO Caproleuna confirms hereby that none of the candidates for substances of very high concern (205 substances) expected to be added in Annex XIV are contained in our products above 0.1 mass-% [status: 16.01.2020; <https://echa.europa.eu/candidate-list-table>].

In addition to this DOMO Caproleuna declares that all substances or mixtures are in accordance with the requirements of annex XVII.

For any further question please do not hesitate to contact our REACH team.

With kind regards

Dr. Claudia Lucka
Laboratory Manager

Dr. Matthias Schmidt
REACH Coordinator
