

## Extension of candidate list (REACH)

13.06.2022

Dear Sir or Madam,

DOMO Caproleuna confirms hereby that none of the candidates for substances of very high concern (224 substances) expected to be added in Annex XIV are contained in our products above 0.1 mass-% [status: 10.06.2022; <https://echa.europa.eu/candidate-list-table>].

In addition to this DOMO Caproleuna declares that all substances or mixtures are in accordance with the requirements of annex XVII.

For any further question please do not hesitate to contact our REACH team.

With kind regards

Dr. Claudia Lucka  
Laboratory Manager

Dr. Matthias Schmidt  
Manager Corporate HSE/  
Global Product Stewardship
